After each round, spread the cards and each player draws a card for High or Low Card and circle H or L. For 3 handed games the Low Scorer is always High Card.

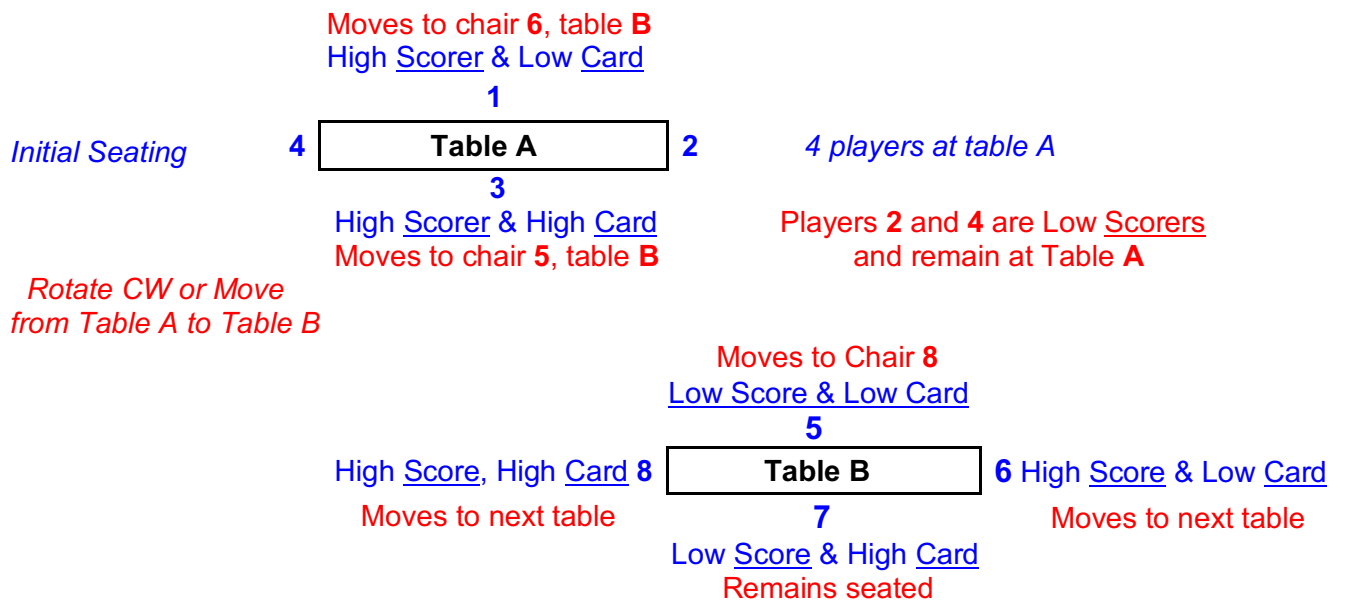

After each round (4 games) enter the **Total Scores**.

TOTAL

Sum all scores for a **Final Score** after the last round. Then submit all Travel Score Sheets to the Pinochle Director.

Player Rotation

Of the 2 High Scorers at each table, one is High Card and the other is Low Card. Both High Scores move to the next table and meet 2 Low Scorers. The “Incoming High” (High Score and High Card) partners up with the table’s Low Scorer and High Card, and the “Incoming Low” (High Scorer and Low Card) partners up with the table’s Low Scorer and Low Card. Only the 2 High Scorers move to the next table and the 2 Low Scorers remain at the table.

Now, Players 1 and 5 are partners and Players 3 and 7 are partners for Round 2.
