

Blue Run Walking & Biking Trail Info Sheet and Maps: Many of you love going to Swampy's in Dunnellon where you can sit by the Rainbow River and have a cold beer and some gator bites. If you'd like to walk a short and sweet scenic trail before or after your visit to Swampy's check out "Blue Run at Dunnellon". From the Blue Run parking lot you can take the paved trail through a shady scenic area to a pedestrian bridge over the Withlacoochee River and there's also a looping dirt trail through the forest. Look for young alligators that like to hang out in the vegetation at the base of the bridge. Details with maps attached.

- The main parking lot is along Rt. 484 just before you cross the Rainbow River and get to Swampy's Restaurant. A secondary parking lot is on San Jose Blvd.
- Beautiful paved multipurpose (walk, bike, skate) trail plus a smaller section of dirt trails. Leashed pets are welcome.
- The most scenic paved section is from the main parking lot to the Withlacoochee River bridge. Walk from the parking lot to a T intersection, turn right and follow the path through a wetland to the bridge.
