Papercraft Shopping

Most crafters are familiar with Joann, Hobby Lobby, and Michael's. In our area we have Betty's Creative Studio (bettycreativeshop@gmail.com) in Hernando. About an hour away is Scrapbook Studio (the.scrapbook.studio.net). Both stores have classes, crops, yard sales. Just to name a few onlineshopping at Scrapbook.com, CraftDirect.com, acherryontop.com, simonsaysstamp.com, ginakdesigns.com, and of course Amazon.
